

What do you think?

The Health Checkers Team want to hear from people with a learning disability in Worcestershire.

We want to know what you think about the health care services you receive.

If you would like to tell us about your experiences of going to a health appointment or staying in hospital, please get in touch.

You can tell us on the phone, in writing or we can arrange to meet up with you.

Who we are -

SpeakEasy N.O.W. is a Worcestershire charity that supports people with a learning disability to get their voices heard.

Through the Health Checkers Project we want to help improve health care for people with learning disabilities in Worcestershire. The project is being led by and employs people with a learning disability.

To tell us what you think or for more information contact:-
